OPEN FRONT SPORT LOCKERS

Our all-welded Open Front Gear lockers are designed to accommodate a wide variety of equipment and apparel while allowing maximum ventilation.

Our base model includes one upper hat shelf with a compliment of coat hooks. You can add a choice from three upper security compartments for personal storage: a small wallet security box, a 12" wide side hinged security box or the full width top hinged security compartment.

In the lower area, you can add a shelf/seat or opt for the foot locker/seat for a lockable equipment storage area. You can finish off your sport locker with our optional stainless steel coat rod.

Open Front Gear lockers feature our all-welded Unibody design which provides two front frame channels between sides of multiple column units and integral sides which are diamond perforated for ventilation.
