The background is a collage. On the left, there are rows of wooden lockers with keys hanging from the handles. A black silhouette of a person is superimposed over the lower left. On the right, two football players are shown: one in a black jersey with the number 31 and a white helmet, and another in a blue jersey with the number 5 and a blue helmet. The bottom of the image has a black background with the 'Hallowell' logo and promotional text.

If You Build It They Will Come

Imagine the powerful impact a modern, luxurious and efficient locker room will have on your ability to recruit the best players to your program. A player's locker is one of the few spaces on campus that a student athlete can truly call his/her own. Our lockers bring an upscale and luxurious design to your locker room with a very reasonable life cycle

cost. We use the finest materials and finish our lockers with a two coat, catalyzed, clear cabinet lacquer to keep the finish looking like new year-in and year-out. Each locker is hand crafted by expert craftsmen using state-of-the-art equipment to create an heirloom quality masterpiece.
